Dear Ms. Singleton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-On Schedule H2 of your report you disclose the ratio for event 313-325-381 to be 5% FEDERAL and 95% NON-FEDERAL. However, your Schedule H4 calculations reflect the ratio to be 1% FEDERAL and 99% NON-FEDERAL. Please amend your report to clarify this discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

-Schedule H2 of your report indicates that your committee participated in several activities or events during the reporting period. However, there are no corresponding disbursements reflected on your Schedule H4 for these activities or events. If any disbursements were incorrectly reported, you should file an amended Schedule H4 with the correct unique identifying code or title.

Note that you need not include activities on Schedule H2 if there are no corresponding payments made for the activity during the reporting period.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,
